THE NAME "EVANGELICAL AND REFORMED"

The term "Reformed" was at first used to designate Protestant churches generally in distinction from the Roman Catholic Church. All the *Evangelicals*, the title which the Reformers preferred, beyond Germany usually called themselves "Reformed." In the (Lutheran) Formula of Concord (1576-1580) the phrase "our reformed churches," is still in vogue to distinguish the Lutheran Church from the Roman Catholic. Queen Elizabeth, on one occasion, wrote a letter to Germany in which she said, "We have here a more reformed church than you" (*eine reformiertere kirche als ihr*). In this sentence the words "more reformed" have reference to the relative degree of the purification of Catholic abuses from the churches of England and the Continent.

The term, in course of time, came to have a more restricted sense. It denoted not only the Protestant churches in contrast to the Roman Catholic; but, also a distinct type of Protestantism differing from the Lutheran and Anabaptist. The churches which followed Zwingli and Calvin were called "Reformed." The term with this meaning, contrary to popular opinion, came into use, not in the lifetime of the original Reformers, but toward the close of the 16th and during the first half of the 17th century. Professor Heppe has shown that the word became a denominational title not before the publication of the Formula of Concord (1580).

One would naturally look for it in the Palatinate at least by 1563, the year of the publication of the Heidelberg Catechism. But when the Palatine theologians referred to the churches of the Heidelberg Catechism, they usually spoke of "those Christian Churches," or of "the *Evangelical Churches*," not the "Reformed Church."

Historians agree that the designation "Reformed," in a denominational sense, did not become general throughout Germany and Europe before the Synod of Dortrecht, 1619. In this Assembly the Zwinglian and Calvinistic churches on the Continent and the British churches were listed

as "Reformed" in contrast to the name "Lutheran." The Peace of Westphalia recognized three churches "as by law established": the Roman Catholic, the Lutheran, and the Reformed.

The term "reformed" thus passed through three stages. First, it was used to designate all Protestants in distinction from the Roman Catholics; then, it became a denominational title with a capital R in distinction from the Lutherans and Anabaptists; and finally, it was sanctioned by the Peace of Westphalia, 1648.

The name of the Reformed Church in this country has been modified several times. On the first page of the Minutes of the first Coetus, which met in Philadelphia, September 29, 1747, we find the following: "*Coetus Acts of the Reformed ministerium of the Congregations in Pennsylvania.*" The word "German" is not in evidence. When the Coetus became a Synod, in 1793, a constitution (*Synodal-Ordnung*) was adopted in which it was stated that "our annual assembly shall hereafter be known as *The Synod of the Reformed German Church in the United States of America.*" The name "German Reformed" continued to be used until the organization of the General Synod in 1863. The word "German" was dropped in 1869 by action of the Classes. Accordingly the Minutes of the General Synod at Philadelphia, 1869, announce the name of the Church to be the "Reformed Church in the United States of North America." For an unknown reason the last three words "of North America" have been omitted; and according to our present constitution, the legal title is the *Reformed Church in the United States*. Since the union with the Evangelical Synod, the name is again changed; and the two terms first used in the time of the Reformation are joined in "The Evangelical and Reformed Church"—an old church with a new name, and an old name for a new church!

and Reformed Church

THE COMMITTEE ON CONSTITUTION AND CHARTER

During the past months the work of this Committee has been much discussed. A tentative outline of the proposed Constitution for the Evangelical and Reformed Church has appeared in the church papers, and those who keep themselves informed in regard to what is going on in the Church should have a fairly clear picture of how the new church body is to be organized and how its affairs are to be administered. More definite information will be forthcoming and an even larger interest aroused when, after the meeting of this important

Committee on Nov. 20-21, the complete Constitution and By-laws can be published.

The Evangelical and Reformed Church owes a debt of gratitude to the seventeen men who are now proceeding with their arduous work, and who have spent many weary days and nights—at least the better part of them—in the tedious and painstaking work of making the blue print for building the new church body. Their names have appeared in the 1935 Year Book and Almanac, and have been repeatedly mentioned in the church

papers, but names alone mean little to the great multitude of church members for whose guidance throughout the years to come these men have labored so devotedly. We are therefore presenting a group photograph of the Committee, and also a "Who's Who," in alphabetical order, so that the rank and file of our people may become acquainted with the character and the career of those who have thus laid the foundations for more far-reaching and effective Kingdom service.

As President of the General Synod of the Evangelical and Reformed Church, he is *ex officio* a member of the Committee on Constitution and Charter.

Rev. Charles E. Schaeffer, D.D., chairman of the Committee on Constitution and Charter, has been General Secretary of the Board of Home Missions since 1909, and was President of the General Synod, Reformed Church in the U. S., 1929-32. He is a member of the Executive Committee of the Federal Council, and former president of the Home Missions Council.

Rev. F. R. Schreiber, pastor of St. John's Evan-

gelical Church, Grand Rapids, Mich., for thirty-eight years, is a member of the Board of Publications, and was a member of the Commission on Church Union. He has also been a member of the Board for Home Missions and was president of the Michigan District.

Mr. Henry W. Schultheis, attorney, Baltimore, Md., is treasurer of the Evangelical Brotherhood and legal adviser of the Atlantic District Council.

He helped to draft the revised constitution of the Evangelical Synod, adopted in 1927, and has been a member of the General Council since 1929.

By their records and experience these men are thus thoroughly familiar with the whole range of church life and work, and the Evangelical and Reformed Church has every reason to expect the very best from their labors in planning the new organization.

THE EXECUTIVE COMMITTEE OF THE GENERAL SYNOD

The Evangelical and Reformed Church is a united Church and is functioning as such. The General Synod, which met in June, 1934, instructed the Executive Committee to determine the date for the meeting of the General Synod at Fort Wayne, Indiana, in 1936. The Committee has fixed June 10, 1936, as the date. During the interim, the Church as a denomination is functioning through three committees: The Executive Committee, which is charged with a number of important duties and is attending to matters of an emergency character; the Committee on Constitution and Charter; and a Judicial Committee, which will not meet unless some unforeseen difficulty should arise.

The Executive Committee has been endeavoring to keep all of the affairs of the Church running smoothly and is most happy to state that the union is proceeding in complete harmony. The spirit that characterizes all of the joint meetings is delightful.

A 32-page booklet, "A New Venture of Faith," has been published and is being sold, in quantity, at five cents a copy, less than the actual cost. This booklet, of which several editions have been printed, tells of the merger of the two Churches, gives something of their background and, in picture and description, sets forth all of the work that is being done unitedly or by the two groups representing the two former Churches.

The chief duty of the Executive Committee is to "promote the work of the Church and to expedite the correlation and unification of the hitherto separate agencies and activities." The unification of Boards and other agencies is proceeding as rapidly as could be expected. It is probable that

by the time of the meeting of the General Synod, steps will have been taken to actually unite Boards and agencies dealing with the same work, and that the General Synod will be asked to take action consummating such unions. Through its officers and other members, the Executive Committee is working with the Committee on Constitution, so that what is now being done is in line with what will be suggested as the permanent future arrangements with regard to boards, commissions, and auxiliary organizations.

The Executive Committee shares the opinion of many throughout the Church that the actual union will be effected more rapidly if we can *work together* than in any other way. With this in mind, a Committee on Correlation and Promotion has been constituted, which includes representatives of the Executive Committee and also of the boards and other agencies, who are charged with responsibility for the denominational work. This committee has held several meetings and has divided its activities among three sub-committees: Unified Literature; Visual Presentation; and Field Work. The Committee on Field Work is cooperating with the "Kingdom Service Committees" of Districts and Classes which have been set up to promote the work of the denomination. They are somewhat new in the "E" group of the Church and take the place of the Missionary and Stewardship Committees in the "R" group. They will correlate activities that have hitherto been otherwise provided for. A conference of the chairmen of these Kingdom Service Committees of Districts and Classes was held at Pittsburgh, Pa., September 18th and 19th.

The Committee on Correlation and Promotion and the Kingdom Service Committees have charge

of the "Kingdom Roll Call" throughout the entire denomination. Every congregation is being asked to make this Roll Call or Every-member Canvass, beginning on Sunday, November 24, 1935. It is hoped that every member will make a subscription on the weekly basis for the two budgets—one for the congregational expenses, and the other for benevolences, including the amount asked for denominational Budget or Apportionment—so that

both of these funds may be subscribed, and paid in full, week by week, and month by month, during 1936.

The Executive Committee, through two special committees, is also studying the matters of a new book of worship and of a new hymnal for the united Church, and will report concerning these to the next meeting of the General Synod.

William E. Lampe, Secretary.

RELIGIOUS EDUCATION

BOARD OF RELIGIOUS EDUCATION "E" GROUP

The Board of Religious Education exists solely for the purpose of strengthening and assisting the local church in its very important teaching ministry. Some of the concrete ways in which it is endeavoring to render this service are: 1. *Lesson Materials*. The Board of Religious Education prepares and publishes lesson helps that are carefully graded, biblical, and are readily adaptable to various needs.

"Lessons for Christian Living" is a series of departmental graded lessons covering the Beginners', Primary and Junior departments. In addition there are teaching helps on the International Uniform lessons, closely graded lesson materials and a wide selection of recommended electives for the upper departments of the church school.

2. *A Teacher's Magazine*. The monthly issues of the *Light Bearer* contain articles dealing with the vital problems that confront Christian workers today. In addition there are teaching helps for both the International Uniform and the Evangelical Bible Story lessons. A special feature of each issue are the full page reproductions in sepia of religious masterpieces or of other pictures which have teaching significance. These can easily be removed from the magazine, and when mounted are very usable in classwork for illustrative purposes.

3. *Story Papers*. From the beginning Sunday schools have tried to help build character by directing the reading of boys and girls, especially

by means of weekly story papers. Those published by the Evangelical Synod, the *Children's Comrade*, the *Boys' Companion*, *Girls' Friend*, and the *Tidings*, compare well with similar publications of other denominations and are eagerly read by Sunday school members everywhere.

4. *Leadership Training*. The Board aims to be of assistance in the adequate training of teachers and officers by recommending courses and text-books, suggesting proce-

dures and guiding the instructor, setting standards and granting suitable recognition as an incentive for meeting those standards, and also gives guidance in setting up community classes and schools for the training of leaders. Special suggestions are offered for Workers' Conference Programs. In addition the Board conducts a series of summer schools and camps at which intensive training is given under the leadership of some of the best instructors available. Last year eight such schools were held with a total attendance of over 600.

5. *The Service Library*. The central library established by the Board makes it possible for church schools and individual teachers to obtain the latest and best general books as well as the more specialized ones in the field of religious education. The only direct cost to the borrower from the Service Library is the return postage.

6. *Literature Service*. Pamphlets covering a wide range of topics are kept in stock in the office and distributed free, or for a very small charge.

7. *Special Day Program Suggestions.* Through the office of the Board of Religious Education reviews of recommended programs and other program suggestions are made available regularly to church school workers.

8. *Art Service.* Because it believes so strongly in the power of pictures as teaching helps, the Board has established a special art service. Help is given churches and individuals in the selection of suitable subjects for varying needs. Wall-size reproductions of many pictures may be borrowed from the office of the Board for specific services or occasions. Sample pictures are also offered for sale. In addition the Board has in its office one of the best slide collections of religious masterpieces in the country, which may be rented for a nominal fee.

9. *Special Age Group Suggestions.* Experts in work with children's, young people's and adult groups are members of the staff of the Board and are ready to assist local leaders who desire help in their special problems with regard to materials, methods and organization.

10. *Personal Consultation Service.* Members of the staff are always available for the discussion of any of the specific problems which confront church school teachers and officers. They may be consulted either in person at their office or by correspondence and will be glad to share with others their own experiences as well as the experiences of others which have been brought to their attention in one way or another.

T. C. Braun, Associate Secretary.

THE BOARD OF CHRISTIAN EDUCATION — "R" GROUP

The effort to merge the work of Christian Education in the united church stands out as the leading event of 1935. Many difficulties were confronted but they have not been insuperable. Joint conferences have been held on how the merged church is to conduct its Leadership Training program, Young People's Work, Adult Work and Missionary Education.

AGE GROUP WORK, that is work with Children, Young People and Adults, has suffered during the year owing to lack of funds.

In *Children's Work*, Mrs. Margaret L. String, although in poor bodily health, has rendered the Church valiant service until recently, when she was obliged to cease her labors entirely.

Young People's Work is being defined more sharply both in its purpose and method of procedure. "Christian Youth Building a New World" is more than a label for a special emphasis in young people's work. It is the expression of an aroused Christian consciousness on the part of youth who feel that the next generation belongs to them, that they are responsible for shaping it and guiding it. A new world is in the making. Youth is aware of this. They have ceased to blame their elders. They seek their co-operation in this period of the passing of the old and the coming of the new. Your Board is rendering a real service here.

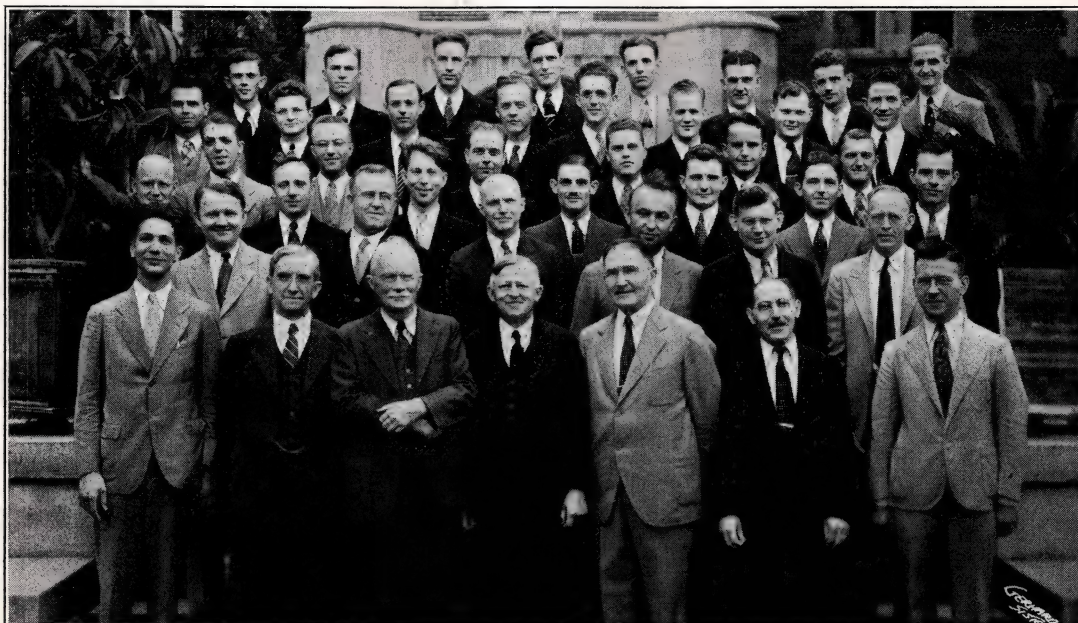

Adult Work. For over a half century the Uniform Lessons have held sway. Progress in lesson material was carried through as far as the Young People's Department, and there it stopped. During the year an advance has been made, and soon we are to have lesson material for adults expressive of the finest progress made in lesson building in all the other departments of the school.

Serious thought is also being given to the relationship that should exist between adult work in the Church School, and the Churchmen's League and Women's Organizations.

LEADERSHIP TRAINING during the year has progressed particularly in two directions. First a complete revision of the Leadership Training program has been made. The trend is toward a more practical procedure enabling leaders to cope with the great problems facing them in their personal religious life and their efforts to build a Christian world. The second fact worthy of special note is the hearty response the program is receiving from the Church. Enrollments in the Summer Schools, Camps and Conferences indicate this, also the visits of parents to the camps.

FIELD PROMOTION. After all, what counts is the extent to which the help the Board of Christian Education has to offer, reaches the local school and particularly the class room. Synodical and Classical Committees have shown a remarkable interest in co-operating with the Board to this end.

TEMPERANCE EDUCATION. The clans are rallying for a new battle against King Alcohol. The Joint Committee on Temperance Education on which the Board is represented, is alert and active. The Woman's Missionary Society has furnished the funds for carrying on this work.

* Not all members of the class of '36 could be present when picture was taken. Dr. Karl Morgan Block and Rev. Alfred Alberswerth, Lecturers in Practical Theology, were also absent.

MISSIONARY EDUCATION. The Advisory Council of Missionary Education is concentrating its efforts on providing suitable missionary lesson material and in co-ordinating the work of missions into the total program of education in the local church. Again the Woman's Missionary Society is

generously providing funds for this type of lesson material.

CHRIST IN THE LIFE OF THE HOME. The special emphasis given the promotion of this lofty ideal during the year was most commendable.

HOME MISSIONS

THE BOARD OF HOME MISSIONS — "R" GROUP

The Board of Home Missions looks after weak and dependent churches. There are 150 of these congregations that look to the Board for help.

They are widely scattered throughout the country and represent practically every section of the Church. Many of these missions are located in our cities, others in rural communities. They

represent at least six different nationalities. For this work the Board was promised \$348,000 a year, but only about 40% of this amount was paid. Consequently the Board was compelled to make drastic reductions in its appropriations to the missionaries, and even then it could not pay them in full. This involved great hardship to the 124 missionaries on the roll of the Board.

In former years, through its church-building Funds, the Board made liberal loans to the missions for the building of mission churches. The amount thus loaned totals \$1,700,000. This sum the missions must pay back just as soon as their local conditions make it possible.

The Board solicits more of these Church-building Funds of \$500.00, or more, each. They are

usually given as memorials to friends or relatives, and become a perpetual fund. The Board has almost 1,300 of these Funds in its possession.

Many members of the church remember the work of the Board in their wills. Over \$300,000 has been received by the Board through legacies. It is a splendid way by which one's money can render service to the church long after the donor has departed this life.

The need of home missions is as great today as ever. The work has assumed new forms, but the main purpose, the Christianization of America, has never been obscured. The problems have increased during recent years, because of the lack of funds and the condition of the country in general.

The Board is working out a plan of united service with the Board of the Evangelical Synod. By this union the home mission field has been greatly enlarged for both Churches. This extended field of operation should inspire people to give more liberally to the cause. The Board has a heavy debt which makes an aggressive advance impossible at present. The Church should speedily lift this debt so that in the near future we may go forward together and occupy new fields for the united church.

Home mission work has always been the forerunner of every worthy enterprise in the church. As it goes forward every other cause in the church will advance, but if it is crippled in its activities, there will be a setback for every other interest. The Board has done its best to keep the work going. It has saved a number of churches from being sold out by the sheriff, and the Board prides itself on the fact that it has thus far lost none of its properties, at a time when many other concerns are going down under the pressure.

The work deserves the whole-hearted support and the earnest prayers of all our people.

Charles E. Schaeffer, General Secretary.

THE BOARD FOR HOME MISSIONS — "E" GROUP

The difficult conditions which the depression years have brought to so many individuals and churches have made home mission work, the task of winning men for Christ and to share our Christ with others, more important than ever. During 1934 104 earnest, faithful home missionaries have preached and taught the Gospel of Jesus in 130

communities, serving about 20,000 persons in one way or another. By means of the strictest economy, this work was accomplished with an expenditure of \$98,816.79, of which \$86,184.00 came through the synodical budget. Due to the reduced giving of the churches, drastic reductions had to be made, which had to be absorbed chiefly by the workers; in some places the work had to be abandoned, in others several churches could be combined.

A total of 45,000 copies of "Missionary Horizons" and "Missionary Trails," published jointly with the Board for Foreign Missions to commemorate the 75th anniversary of home mission work and the 50th of foreign mission work, have been sold, and in addition many thousands of prepared programs and pamphlets were called for. The number of new mission study classes launched, the increased number of speaking engagements on the part of the Secretary, and the large volume of correspondence shows a larger home missions interest.

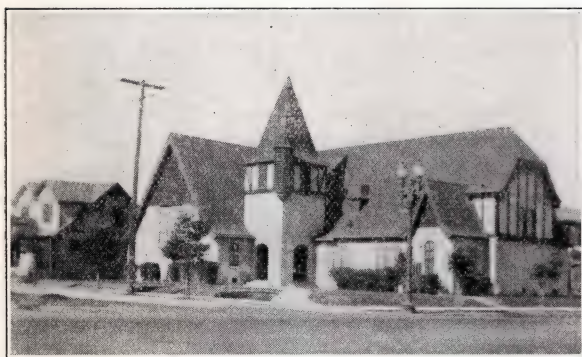

During 1934, there was a net gain of 792 members for the 124 mission churches, which contributed \$9,090.53 to the synodical budget, and \$137,191.99 to their local budgets. Three churches became self-supporting; one could be taken off the list of mission churches because of a merger with a neighboring Evangelical church, while nine others had to be added to the list.

The Board is most grateful for the gift of one-third of the Thank-Offering by the Women's Union toward the salary of a full-time worker, and for the gift of \$200 for medical work in the Ozarks by the Women's Missionary Society.

THE CHURCH EXTENSION FUND

With the limited funds available for this work, the Board is constantly compelled to refuse requests for loans by churches which are very much in need of them. During 1934 ten new loans amounting to \$31,400.00 were allotted, besides various delinquent loans which were refinanced. One piece of property has been sold, and another is in the process of being sold, and the property of still another has been deeded to the Synod pursuant to the action of the General Conference. This Board is also cooperating wholeheartedly with the Church Extension Board of the "R" group.

There were outstanding on March 31, 1935, 169 loans, 37% of which were paid up to date; the remaining 63% are in arrears from one to five or more years. *J. J. Braun, Exec. Sec.*

FOREIGN MISSIONS

FOREIGN MISSION WORK — "E" GROUP

The India mission field has eight main-stations. These stations are similar and yet different from one another in that special emphasis is laid on certain types of work at one or the other of them. Thus:

1. *Bisrampur (1868)*. This, the oldest station, with its sister village of Ganeshpur forms a Christian settlement of approximately 1,000 people. It is rural in character and rural industries are emphasized. It has training schools in carpentry, masonry, agricultural activities, and tailoring. Its station church is self-supporting, self-governing, and partly self-propagating, with an Indian pastor at its head.

2. *Raipur (1880)*. The city station and educational center. It has high, middle and primary schools for boys and a middle and primary school for girls. Theological training is also provided. The Rev. M. M. Shah is pastor and the church is self-supporting and in a measure also self-propagating.

3. *Baitalpur-Chandkuri (1886 & 1899)*. The Leper station. It has the second largest leper hospital of India, our Mission furnishing the missionary superintendent, missionary doctor, and missionary nurse. The other expenses are borne by the Mission to Lepers, supported with grants from the government of India. Baitalpur has a flourishing congregation and a number of schools.

4. *Parsabhader (1894)*. The station of the late Sadhu Hagenstein. Its activities are rural. Its evangelistic activity is greatly aided by volunteer work carried on by the young men of the church, indicating that the church is a live and working church.

5. *Mahasamund (1907)*. The station among the orthodox Hindus. Formerly isolated, but is now connected by railroad with Calcutta, Bombay, and Madras. It has a flourishing English middle school attended by the sons of the leading families of the area. In its borders lies the home mission field of the united churches of our area.

6. *Chandrapur (1909 & 1932)*. The fastest growing station; also called the "Katherine Goetsch Memorial Station." Together with its sub-station Charpali it accounts for the greatest number of accessions to the church during the past few years. The language is Uriya. It is the largest station in respect to total area and population.

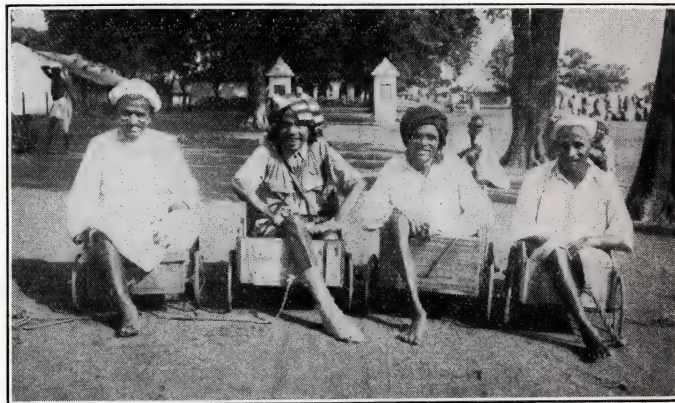

7. *Khariar (1923)*. The lovely station. The ground on which the station stands was a gift of an Indian king. It is situated in beautiful hill country two miles from the capital of the state. It is reaching out into the villages and has a rapidly growing Christian community.

8. *Tilda (1929)*. The medical station. Its medical work is very extensive and has brought to its missionary hospital patients from far and near. Its flourishing congregation shows that the ills of the body and the needs of the soul are equally cared for.

The Church on the Field is well organized. It issues its own periodical "The Evangelical Patrika," has its own mission field in the state of Fingeshwar (in the Mahasamund area), administers its own pension system for its pastors, and has various other working organizations.

THE HONDURAS FIELD

The work in Honduras dates from February 14, 1921. Its influence has rapidly spread to three centers in the North Coast area.

One-legged Brigade, Chandkuri Leper Asylum

Honduran Teachers

1. *San Pedro Sula (1921)*. The city station. The emphasis is on evangelism in the various fields in which activities are carried on. The school has prospered in 1935 and plans to add a normal department. Many out-posts have been established where regular services are held. Medical work carried on by a trained Deaconess nurse has ministered to the sick over a large area and has won many friends for the church.

2. *Yoro (1934)*. The Women's Union station. Yoro is just beginning its work but already it has gathered the nucleus of a congregation in its borders. Direct evangelism and medical aid have opened the hearts and homes of the people to Christian influence.

3. *Pinalejo (1934)*. The station among the pine trees. This station is a result of the jubilee year of foreign mission work. The removal of the theological seminary to this place from San Pedro, and a training school for nurses, are some of the developments of 1935.

THE HOME BASE

The financial support on the part of the church during 1935 has not been adequate, but with God's help the work did not need to be greatly curtailed.

Our missionaries and workers accepted sizeable reductions in salary in order that the work might go on. The church is indebted to the Women's Union for its splendid support and to the many friends who have given special gifts that the work might continue. Thanks are also due to the "Evangelical Society for Medical Missions," the auxiliary organization of the Board, which has carried a considerable part of the support of our medical work, has been helpful through its officers, who are busy physicians in the homeland, with advice and counsel in all affairs pertaining to the ministry of healing.

F. A. Goetsch, Executive Secretary.

FOREIGN MISSION WORK — "R" GROUP

The spirit of self-sacrifice, ever one of the guiding principles of the Christian missionary, has been demonstrated anew by our own missionaries during the past year. Not only did they accept the forty percent reduction in their salaries for another year, but in addition those who were able made contributions of extra time and gifts to enable the work to continue.

Dr. Christopher Noss, who surrendered his chair in the Theological Seminary of the Reformed Church to carry the Gospel message into the rural fastnesses of North Japan, was a notable example of self-denial. On Christmas Day, 1934, while administering the communion to a small group of believers, he poured out his own last measure of devotion to the cause he loved so dearly.

The hardships and the uncertainties of missionary life and work in our China field were again

forcibly impressed upon the supporters at home. Our missionaries both at Shenchow and Yochow were forced to leave their posts for a time until the threatened occupation by Communist forces could be averted. Similarly, in our Iraq field, the wave of feeling against the Assyrian Christian refugees who came into armed conflict with Government troops, placed a heavy handicap on the soul-saving activities of the missionaries.

The Japan Mission has been making preparations for several years for a worthy observance in 1936 of two notable anniversaries—the fiftieth of North Japan College and Miyagi College. Both of these institutions, located at Sendai, the metropolis of North Japan, have made a remarkable record during these years. Their graduates are scattered throughout the world, many occupying positions of honor and trust in church, business and educational circles. It is noteworthy that Kagawa has designated Rev. Motojiro Sugiyama, a graduate of North Japan College, to be his successor in his unique evangelistic and social service enterprises.

In connection with the 50th anniversary of North Japan College, Dr. David B. Schneder, who has served so illustriously as president for thirty-five years, will retire. He will continue his activities on behalf of the Endowment Fund.

50TH ANNIVERSARY OF NORTH JAPAN COLLEGE

North Japan College was started as a training school for evangelists in May, 1886. Its founders

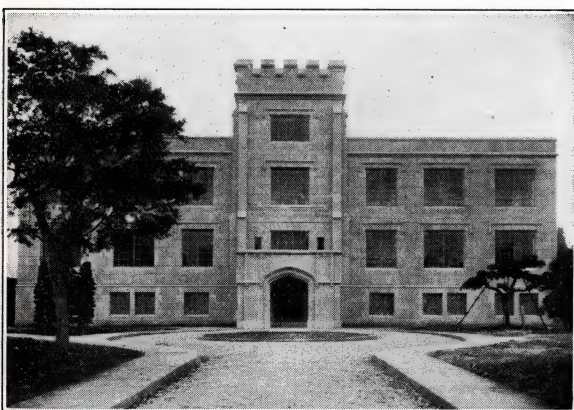

North Japan College, Seminary Department

were Missionary William E. Hoy and Rev. Masayoshi Oshikawa, a prominent Japanese leader. The work began in a small dwelling-house with six students in attendance. The first permanent building was erected in 1889; it was made possible by heavy personal sacrifice on the part of Mrs. Hoy. Mr. Oshikawa was the first president. In 1901, Dr. D. B. Schneder became president. The institution gradually expanded in numbers and equipment, and has now for many years consisted of an academy, a college and a seminary. The seminary has supplied nearly all of the ministers of our Reformed missionary work in Japan. The college has sent many graduates into educational work, into business and into political and official life. Three of the graduates are prominent members of parliament at present. Everywhere they stand for the faith and principles they learned in a Christian college.

The number of students now in the institution is about 600 in the Academy, 370 in the College proper, and 30 in the Seminary, or a total of 1000. The total number of graduates is 2640. The institution is well and favorably known throughout all North Japan, and stands as a witness for Christ in that whole region. It is a remarkable achievement.

The teaching force of Miyagi College has been strengthened by the appointment of Misses Alice M. Ilsley, of Spirit Lake, Iowa, and Alma Naefe, of Chicago, Illinois.

North Japan College, College Department

The outstanding event in the work of the Board at home has been the effort to pay off its heavy indebtedness. That the plan and the appeal were approved by the home church is shown by the fact that the debt, which amounted to \$297,273.45 on June 30, 1934, was reduced to \$138,477.01, as of June 30, 1935. For this splendid result the officers and the members of the Board of Foreign Missions are deeply grateful to our pastors and Sunday school superintendents, as well as a selected company of five hundred laymen, for their wholehearted cooperation. The largest single gift was made by the Woman's Missionary Society of

General Synod, which voted at its Triennial Convention at Greensburg, Pa., to cancel notes of the Board to the extent of \$47,000. The Board expects to continue its efforts until its indebtedness is entirely wiped out and the finances of the Board are placed on a cash basis.

The visit of the Secretary of the Board to our fields in China and Japan last summer was of special moment. Dr. Casselman conferred with the missionaries personally, and also counselled with them at their annual meetings, as to the plans and policies for the future conduct of the work.

John H. Poorman, Ass't Secretary.

MINISTERIAL PENSIONS AND RELIEF

MINISTERIAL RELIEF — "R" GROUP

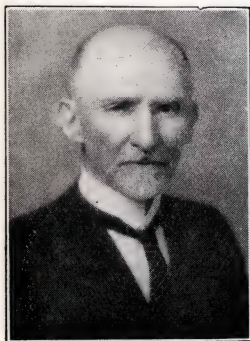

For 183 years Ministerial Relief has spread a mantle of protection around the aged and disabled ministers and their widows of the Reformed Church. During nearly two centuries hundreds of veteran ministers and their dependent widows have turned to Ministerial Relief in time of need, and have been helped and comforted by our Church. Blessed are they who have given to these worthy servants of our Church in the sunset hour of their lives. The promise is: "Inasmuch as ye have done it unto one of the least of these, My brethren, ye have done it unto Me."

Our ministers take the things of God and give them unto men. In their great service to the world they give their all. Their remuneration generally is small, and when they become aged or

disabled, they are in need of the help of the church, and when they go to their eternal reward, they can leave little to their widows and dependents. Thus our Board of Ministerial Relief cares lovingly for our veteran ministers and the widows of our ministers to the extent of its ability.

The Relief Department of our Board is supported by the apportionment received and by the designated contributions of individuals and congregations. Grants from this department are made to our aged and disabled ministers and the widows of our ministers. Each grant is based on need, age, health, and dependents, and therefore is true relief. To a total of 258 Relief annuitants we could give \$48,081.87 during 1934, which is an average of \$186.36. This average should be \$500.

Our Sustentation Fund was established by the

Reformed Church in 1917. The membership consists of ordained ministers, licensed ministers, and lay missionaries. The dues range from \$17.13 at 21 to \$93.69 at 60. No member pays dues after he is 70 years of age or disabled. He then receives his benefits. During 1934 our Sustentation Fund paid \$14,308.87 to 77 ministers; \$7,487.75 to 79 widows of ministers; and \$216 to five orphans of ministers. Since the organization of our Sustentation Fund, 1,078 members have been enrolled, of whom 117 have died, thirty are disabled, and 48 are 70-year beneficiaries. There were 751 active paying members on July 1, 1935.

The housekeeping of the Board of Ministerial Relief of the Reformed Church is good. We never had any debts. We pay cash for everything we get. Our budget always is rightly balanced.

Our Church contributed \$1,819,564.06 for Ministerial Relief during the thirty years of the Board's history. On this, as a working capital, we earned \$689,844.22.

The total annuitants from 1905 to the close of 1934 were 544 ministers and widows of ministers in the Relief Department, to whom our Board gave \$799,751.25; and 190 ministers, widows and orphans of ministers in our Sustentation Fund, to whom we gave \$92,499.17.

Not one cent of any money given by any person at any time to our Board was used for any other purpose than for the care of our ministers and their widows.

"E" GROUP

During the more than 20 years since the re-organized pension system has been in operation there have been paid out to retired or disabled members, their widows and orphans a total of \$1,584,439.00 in pensions and relief. What this sum has meant to all these men, women and children in terms of shelter, food and raiment, in the prevention of want and providing for their welfare, contentment and usefulness to society, is beyond human computation. The Pension Fund is not a substitute for life insurance, nor can mere life insurance take the place of the Pension Fund. Our Pension Fund is rather a scientific contributory plan organized and developed by our own Evangelical Synod in accord with modern pension systems.

Membership in the Fund represents the best protection and the greatest return for the least money. The annual premiums range from \$16 on admission at the age of 22, to \$40 at the age of 50, which is the age limit. The returns at present are a disability guarantee of \$220 per year, which increases with the length of the membership in the Fund and after 43 years of membership a pension of \$350 per year is being paid; widows receive 80% of what their husband's pension would have been at the time of his death. When the pension is insufficient to meet the need the Fund grants an additional amount from the Relief Treasury which is received from the synodical budget. In the event of the father's death half orphans receive \$35 per year up to the age of 16, and full orphans \$100 per year.

In addition to the benefits received from the Pension Fund two Homes for retired and disabled pastors or their widows are maintained, one at Blue Springs, Mo., with ten cottages, and the other at Bensenville, Ill., with two single homes and duplex cottage. These are furnished free to members of the Fund and are always occupied, since few pastors are able to have their own homes.

Rev. E. Schweizer, Marion, Ill., Oldest Pastor in the Evangelical & Reformed Church, Ordained in 1866

During 1934 it was possible to increase the pension over that of the previous year to the amount of \$10 per year for pastors and \$8 for widows. During that period there were on our lists 150 pastors, 247 widows, and 20 children, to whom there was paid \$83,350 in pensions; in addition, \$13,865.19 was paid in relief to 169 recipients, besides \$9,035.01 for years of service prior to 1910, and special relief to widows whose husbands were not members of the Fund, a grand total of \$106,251.08. The present membership consists of 955 pastors, 11 teachers, seven commissioned workers, and 18 women missionaries, a total of 991. During the past 20 years the cost of administering the Pension Fund has been less than one percent of the Board's income.

MERGER NEGOTIATIONS

In conformity with the instructions of the General Synod the representatives of the Pension Boards of the "E" and "R" groups have met for two conferences, and plans have been formulated to bring about the coordination of the work of both these boards. The fact that both pension systems are very similar makes this objective attainable; at the same time the representatives of both boards feel that the rights, privileges and assets of each group shall be faithfully safeguarded in the merger. Each Board has an experienced actuary gathering the necessary data in order to form a working basis for the coordination of the two Funds.

Silas P. Bittner, Chairman.

WOMEN'S WORK

EVANGELICAL WOMEN'S UNION

The work of the Women's Union is steadfastly progressing. Though there have been cuts and curtailments and sacrifices the work has not suffered as severely as that of other Boards. No great improvements have been made in any of the six departments, but there has been a steady stride in going "not farther but deeper."

The quadrennial "Officers' Conferences" were held in three sections of the Synod. The secretaries also visited the outlying Federations. These Conferences, which are training schools for Feder-

ation and District Union officers and chairmen, were well attended.

An increase is expected in the Thank Offering, and the Student Aid Fund has had a considerable increase. The Sustaining Membership has had a notable increase and there are now thirteen Members in Memoriam, three Life Members and twenty-two Patrons.

The Course of the Women's Missionary Society, our sister organizations in the "R" group has been adopted by the Women's Union Board and is meeting with great favor. The topics for the Monthly

Program for both organizations have been chosen by a joint committee. Much interest is shown in the Mission Study Class. The Mission Boards of the Synod have not been able to furnish a mission study book this year, hence the women's societies are urged to study "Women Under the Southern Cross," by Miller, and "Toward a Christian America," by Morse.

An exceptionally fine reading packet on Christian Citizenship is being circulated. The existing social conditions make large demands on the Social Welfare Department in every society.

The development of the devotional life of the individual and the society is zealously nourished by promotion of family devotions, Lenten Quiet Hours, Daily Talks With God, Bible Institutes and Meditation Days. The efforts in this direction are increasing annually, and their success is measured according to the efforts.

Gifts of the local societies to missions, the Synod, benevolent institutions and the local church amount to \$149,876.50. By special projects of Federations and District Unions, \$4,036.07. To and through the Women's Union in dues, Thank Offering, Day of Prayer offering, Student Aid, etc., \$13,721.35, making a grand total of \$167,633.92.

WOMAN'S MISSIONARY SOCIETY

The 17th Triennial Convention was held in Greensburg, Pa., May 21-25. Throughout the meetings a challenge to enlarged service was sounded.

All groups reported numerical increases: Woman's Missionary Societies 762, membership 20,344; Girls' Missionary Guilds 439, membership 6,066; Mission Bands 310, membership 9,498.

Every department emphasized the educational advantages of the organization. The Educational Commission stressed the worthwhileness of Institutes and the need of carefully prepared suitable programs and supplemental material. The *Outlook of Missions* will have new features, about six pages on the missionary work of the E group and a Mis-

sionary Worship Service. The Reading Courses are increasingly popular and have broadened the vision of the readers: the total number of participants in Societies and Guilds during 1935 was 9,338, while 561 societies conducted both a home and foreign mission study.

The Stewardship Packet showed an increase of readers; it is now published jointly with the Women's Union; readers of the Christian Citizenship Packet practically doubled in this triennium; an increased use of Thank Offering boxes in homes outside of the Society resulted in enlarged gifts; while hundreds of these boxes have been placed in Ladies' Aid Societies.

During the year there were enrolled 89 Life Members and 40 Members in Memoriam; result—\$3,225 which was placed into a Trust Fund, the interest only of which is used for educational purposes. Amount of this sacred Permanent Fund is \$54,175.

In the beautiful spirit which characterized all sessions the Society wrote into its budget two projects of the "E" group: \$600 for Tilda Hospital, India, and \$200 for Medical Work in the Ozarks.

The Basis of Merger, slightly amended, was approved and referred back to the Commission on Merger. Recommendations of importance for all departments were adopted. The charter name of the Society was changed to read "of the Evangelical and Reformed Church."

Interdenominational contacts are maintained with the Foreign Missions Conference, the Council of Women for Home Missions, International Council of Religious Education, and the Missionary Education Movement.

Officers elected were: President, Mrs. F. William Leich; Vice-presidents, Mrs. L. L. Anewalt, Mrs. D. J. Snyder; Recording Secretary, Mrs. D. E. Remsberg; Corresponding Secretary, Mrs. M. W. Babo; Treasurer, Mrs. Thomas E. Jarrell.

OUR NEW CHURCH PAPER

"The Messenger" will make its initial appearance January 2, 1936. If we are to maintain a church in which *educational religion* and *religious education* are not simply phrases or theories, but actual facts, then we must have a *reading people*—families who are intelligently informed with regard to the activities and the needs of Christ's

Kingdom. It is hoped the exceptionally low price of the new paper (\$2.00 per year), a 24-page weekly, a merger of the *Reformed Church Messenger*, *Christian World*, and *Evangelical Herald*, will find a welcome in every home of the United Church.

MEN'S WORK

THE REFORMED CHURCHMEN'S LEAGUE

The Reformed Churchmen's League has passed from the stage of experiment to that of experience. What its founders planned and confidently predicted is taking on definite form in the spread of this authorized Men's organization throughout the Church. During the past two years the League has grown more than 100% in the number of chapters and affiliated laymen. The League is now established in 11 states. Organization in other States is under way.

This new year should witness a marked advance in men's work through the merging of the Evangelical Brotherhood and the Reformed Churchmen's League, which will be consummated at the meeting of the General Synod at Fort Wayne, Indiana, in June, 1936. From that time on our common work will bear the name: "*The Churchmen's Brotherhood*," and operate under one administrative Board and be amenable to the General Synod. Until that time, each organization will function as heretofore.

It is hoped that all Men's work in our united Church will be unified and that other men's organizations, men's clubs and men's Bible classes will associate themselves and unite with the Churchmen's Brotherhood. Certainly, if this union of the churches means anything, it does mean that the laymen, not only the 30,000 now affiliated, but the 200,000 in our united Church, get together solidly and coordinate their man-power for more effective service in doing a man's share in Christian work and thus support and swing the whole denominational program to success. Pastors and laymen together, under the direction of the Spirit of God, constitute a creative and unbeatable force for righteousness, social justice and the establishment of the Kingdom of God.

Study, Fellowship, Service—these are the three great purposes of our League. Properly observed and applied, these will produce information, inspiration and co-operation, and make the men happier, the Church stronger and real religion a steadying and contributory factor in a disillusioned and recovery-hungry world.

Many new plans are under way: Retreats for Laymen, Reading courses for men, Local Federa-

tions, a great Men's Convention in the Fall of this year, and hearty co-operation with all groups of Christian men in National and International endeavors.

May our new Church not only be more man-minded but more man-manned. Let pastors and laymen join hands in making the strong program of the General Synod an unqualified success.

J. M. G. Darms, Ex. Sec.

E. S. Fretz, Pres.

THE EVANGELICAL BROTHERHOOD

The two important events in Brotherhood life and work last year were the Tenth National Convention at Milwaukee, and the beginning of the merger with the Reformed Churchmen's League.

The National Convention at Milwaukee was one of the best ever held and the attendance was encouraging, considering economic conditions. While other groups in these years omitted such gatherings we enjoyed the usual fine fellowship and high inspiration that comes from national meetings.

Both during the merger conference at Cleveland, June 26, 27, 1934, and at the Milwaukee Convention, August 21-23, 1934, we had the opportunity of becoming acquainted with some of the leaders of the Reformed Churchmen's League, and the Convention passed resolutions making co-operative projects and merger plans possible. As a result a *joint monthly program for 1935* was realized.

The Milwaukee Convention authorized the appointment of a merger committee and passed the following resolutions pertaining to the merger with the Reformed Churchmen's League:

"The Board of Directors of the Evangelical Brotherhood is herewith instructed to meet with the Executive Committee of the Reformed Churchmen's League at an early date, and is given authority to make such plans as will bring about a union of both organizations in accordance with the resolution of the General Synod of the Evangelical and Reformed Church and with the approval of the Board of Directors of the Evangelical Synod of North America."

At the beginning of 1935 there were 480 Brotherhoods with a membership of 23,000, organized into 21 local or regional and five district federations.

One Federation, Buffalo, has already officially merged with the local Reformed Churchmen's Federation and is known as "The Churchmen's Brotherhood Federation of Buffalo Area." Baltimore is planning to do likewise.

Our Monthly Program is still the most effective means of education and promotion in our men's work. It is now 12 years old and at the International Council of Religious Education this year it received recognition and praise for its high educational and promotional value.

As in previous years, we are again stressing the following *annual projects*: 1) Family Devotions; 2) Lay Evangelism; 3) Day of Prayer for Missions on or near Ascension Day; 4) Under-

shepherd Service; 5) Brotherhood Reading Course; 6) Student Support Fund; 7) Men's Retreats; 8) Men and Missions Meeting in November; 9) Brotherhood Corporate Communion on the First Sunday in Advent which is Brotherhood Day in the church; 10) Fathers and Sons Banquets and Services.

In order to reach the men in Regions not organized into federations we requested District Brotherhood Committees and Regional Officers to arrange for *Men's Congresses*, to which all the men of all the churches within the Region should be invited on some evening or Sunday afternoon. Six such were held during 1934.

H. L. Streich, Executive Secretary.

PUBLICATIONS

EDEN PUBLISHING HOUSE

From a tiny room containing a single printing press, used for the production of the four-page "Friedensbote" more than 85 years ago, this business institution of the "Evangelical Synod" has grown slowly but steadily into an establishment which compares well with other denominational houses.

Since the erection of our new building five years ago "Eden" may be classed as one of the great material assets of our church. And if credence may be given the many book salesmen who include "Eden" among their patrons, our sales rooms are not only equal to but excel by far, in beauty and arrangement, any other book store within their itinerary.

Our employees take care of an immense volume of business. Our office staff handles the accounts of well over 200,000 subscriptions, more than 10% of which are single accounts. In the factory the casual visitor is impressed with the splendid equipment which easily takes care of the publication of 23 church papers and periodicals, besides printing contracts from commercial firms and many local church monthlies and bulletins. In the bindery quite novel and most artistic covers, with original designs, excite the admiration of lovers of art and satisfy our most exacting customers.

Since the merger of our two church bodies "Eden" has become the Publishing House of the

Evangelical & Reformed Church, a property to be proud of, with a net value (excess of assets over liabilities) of \$400,000.

CENTRAL PUBLISHING HOUSE

Central Publishing House at Cleveland, Ohio, was founded in 1858. Its underlying purpose is suggested by the name. The founders, as members of an educational Church, believed in the value and need of the printed page. Thus they sought to create not merely another printing establishment, but to promote a true publishing enterprise which had as its purpose the dissemination of the printed religious page.

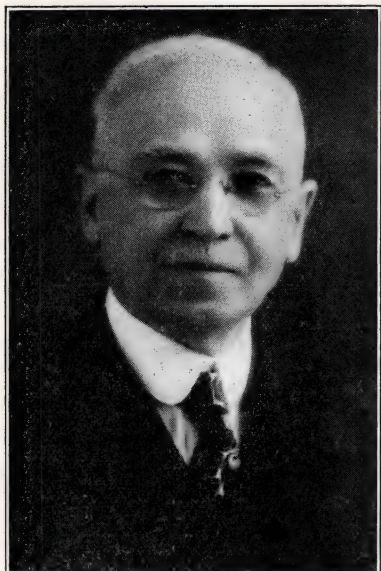

For almost eighty years church papers, periodicals, books and supplies have been prepared and sent into the Church.

The Central Publishing House also occupied a very strategic and central place in the beginning and development of the life of the western part of the former Reformed Church.

True to its original purpose, the house is still operated along three general lines: church papers and religious literature, printing and merchandise. Two church papers are issued weekly, the *Kirchenzeitung* and *The Christian World*.

The Central Publishing House is managed by a Board of Directors, duly chosen by four constituent synods of the "R" group; viz., Synod of the East, Northwest, Ohio and Midwest.

Eastern Synod's Old Folks' Home for
Destitute, Aged and Infirm
Rev. F. H. Moyer, Superintendent

Above right, Dormitory, 52 beds, erected in 1911. Left, Administration and Service Building, fireproof, 46 beds, erected in 1931, the third floor of which, 22 beds, constitutes the infirmary. Invalids are being admitted. Supported mainly by the parishes of the Eastern Synod and Endowment of \$150,000. — Needs: Much larger income for maintenance. More endowment, legacies for that purpose. More buildings, for want of room many worthy applicants cannot now be accommodated.

Santee Hall and Administration Building

Our home has been caring for the orphaned children of our Church for 72 years. During the past year we have cared for an average of 243 children. The largest number of children residing on the Home grounds at any one time during the year was 265.

The year 1935 has found us experimenting with the cottage council as a means of government for our oldest children. We are also having their governing groups take a

more active part in planning the religious and social life of our Home, thus developing the principles of leadership.

Contributions have decreased by \$228.14 over last year. The increase in undesignated legacies has enabled us to carry on. Our surplus is about consumed, as we cannot use designated legacies, but must apply them to our endowment. The income from investments has decreased forty-five percent. We have faith in our Church and feel that it will not be necessary for us to retrench.

We are entirely dependent on voluntary contributions and legacies for our support.

All of this service leads our boys and girls into happy, co-operative independent citizens, able to give to society, and to gain from it, as much real value as children reared in good private Christian homes.

Ninety percent of our monetary maintenance is charity. We therefore sincerely solicit your interest and your gifts for our Home which is **NEEDY**, and worthy of the support of its friends.

The German Protestant Home for Orphans and Old People

West Grand Boulevard

Detroit, Michigan

Our orphans' and old people's home is situated in one of the most beautiful sections of Detroit. We cordially welcome Evangelical people who may come to Detroit to visit our institution. A Grand River car to West Grand Boulevard will bring them right to the home.

The home is under control of the Michigan and Ohio Districts of our Evangelical Synod and is dependent upon friends within our Church for its support.

Our Home is able to accommodate 125 children and 50 old people. To meet our daily requirements is quite a problem at this time of social misery as the conduct of our institution is dependent more than ever before upon the generosity of our friends in the Synod.

We cordially solicit your interest and express our gratitude to the many friends who have heretofore supported us.

Bequests must be made in favor of "German Protestant Home for Orphans and Old People, c/o Mr. Chas. Reibling, Treasurer, 1433 Bagley St., Detroit, Mich."
